

## Performance Report Bullets

These bullet statements will give you some help in completing your performance reports (AF FORMS 707A & B). Impact Bullets are particularly helpful in Block IV of the performance report. Some provide a start to an "impact" statement some are also useful for lead-ins for Block VI. Personal Traits, Leadership and Performance bullets are for Block VI of the form. They provide the leadership and potential bullets. Some of these can be adapted for "impact" statements on the first page.

Use your MS Word Edit and Find and then use a key word which will enable you to locate an appropriate bullet. Hit "Edit" on the tool bar, then "Find" and type the word (i.e. judgement, intelligence, hard work, loyalty, professionalism, etc.) in the "find what" box. Then hit the "find next" button to locate all the bullets that are associated with the key word. You should be able to copy that bullet and paste it into Form Flow.
